Prez. Terry's Comments: Terry had composed a letter to Denise at the Girl scout camp about the changes at this year's Float Fly, which he read to the members. The main objection was the relocation of the pit area and the safety concerns regarding the paddle boats and the flyers. This was followed by a discussion of the conditions at the Float Fly and general safety. A concensus was reached to forward the letter to the Girl Scouts and ask for a face to face meeting with the Board.

Old business: Bob Hellem reported on the dealings with the Badge engraving company. Terry had received an E-mail from Roger Holman(who could not attend) concerning making a motion to donate to the Girl Scouts as we had done in the past. A motion to donate \$25 was second and passed. It was to accompany the letter from Terry.

New business: A lady had contacted Darwin about DRCC attending a Teen Fair to be held at High Park, more information to follow.
