

September 2007 DRCC Meeting Minutes

The meeting was called to order by President Terry Dobson at 7:25 P.M. at the Derby Recreation Center

Members attending: 10

Visitors: None

Treasurers Report: Read and approved. The DRCC membership now is at 26, including family members.

Secretary's Report: The minutes of the previous meeting read and approved.

Committee Reports: There was a last minute decision to have a cookout & funfly starting at 2 PM the following Sunday.

Prez. Terry -Comments:

- 1) The DRCC needs to give the Derby Rec Center a courtesy call if the DRCC will not be using the meeting room each month.
- 2) Terry explained the letter exchange about the float fly with the girl scout leader for Roger Holman
- 3) Terry reported on the Jabara Airshow, the pilot turnout was very good, better than 06, every thing went well and they had a good report from the show and FAA officials.

Old business:

- 1) Bob Hellem reported on the name badges. We now have all but one of the badges from the engravers. One was sent back due to an error on the engraver's part. We are no longer going to do business with this place since we had to pay an extra \$13 to get the balance of the badges into a finished condition.
- 2) Darwin reported on the Summer Fest at High Park. There was a good pilot turnout.

New business:

- 1) The Elm Hill flying field was mowed on the 12th
- 2) Terry reported that McConnell AFB will be changing. The KC135's are being replaced by Blackhawk Helicopters instead of the U.A.V Predator as has been previously reported.
- 3) The Kansas Air Museum is trying to obtain the Old Stearman hangar North of the museum for Stearman display. A Japanese Film crew came to shoot some pictures of the the B-29 "DOC" for a documentary. Jokes were made about most Japanese having only seen the bottoms of B-29's! The Temp Hangar may be located closer to the Boeing side as needed.

Open Forum:

- 1) Darwin explained about the use of bats with remote firebombs attached during WW2. There was some other discussion about DOC.

FYI: Elections will be coming up, DRCC WANTS YOU!

Show & Tell: Terry brought in the Lanier Stinger 40 built from a kit he bought on EBay

Raffel Winners: Darwin x 2, Calvin, Terry x 2 Andy x 2, Ken

Program: None

Meeting adjourned at 8:40
